

Medium Term Plan: Supporting Implementation of LTP/Progression Grid

Subject: LKS2 Year B– Football

Key Concept- Concepts: Joy of movement, personal challenge, building resilience, Critical thinking, and action.

POS aims from NC:

Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating, and competing. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.

Pupils should be taught to:

- Use running, jumping, throwing, and catching in isolation and in combination.
- Play competitive games, modified where appropriate (for example, badminton, basketball, cricket, football, hockey, netball, rounders, and tennis), and apply basic principles suitable for attacking and defending.
- Develop flexibility, strength, technique, control, and balance (for example, through athletics and gymnastics)
- Perform dances using a range of movement patterns.
- Take part in outdoor and adventurous activity challenges both individually and within a team.
- compare their performances with previous ones and demonstrate improvement to achieve their personal be.

Prior Learning (what pupils already know and can do)

- Pupils should know how to kick the ball with the inside and outside of the foot.
- How to pass a ball to someone else.
- How to direct a ball and judge the weight of the kick.
- How to pass and stop the ball and then a ball being passed to them.
- To pass and stop the ball with the left and the right foot.
- Pupils should know how to attack and defend.

Long-term Learning (what pupils MUST know and remember) End Goals

Football – Passing, dribbling, attack and defending, Zones, kicks, and penalties, shooting.

- To know how to pass the ball to each other when stationary, one player is moving and when players are moving.
- To know how to demonstrate basic movement techniques (dribbling) applied with some coordination and control to gain an advance over an opponent.
- To know how to use basic techniques in a small, sided game and pass and shoot with reasonable accuracy.
- To discuss tactics as a team and understand the idea of attacking and defending; knowing how to attack safely
- To learn how to complete a corner kick, goal kick and the rules for a corner kick.
- To learn what you can and cannot do as a goalkeeper.

Key Vocabulary

passing, running, inclusion.

Session 1 – To be able to stop the ball with control using your feet. To be able to pass a ball using the inside of the foot, dribble and move in a space.

- To be able to use different parts of the foot when kicking a ball.
- To know how to make a stationery pass, moving and when a player is on the move.
- To be able to use different variations of passes working on longer and shorter.

Healthy Participation – To discuss the benefits of completing a thorough warm up. It helps to loosen the joints, increases blood supply to the muscles and engages the brain with the body.

Vocabulary – Sole, plant, pass, point, touches, dribble, outside, score, space, invasion, aware, inside, tackle, attacking, defending, stationery, goal kicks, dribbling, shooting, coordination, opponent, advancing player, goal line, corner kicks, tactics.

Medium Term Plan: Supporting Implementation of LTP/Progression Grid

Session 2 – To be able to perform the basic dribbling movements with control. To be able to outwit opponents with the use of these techniques.

- To be able to use simple movement techniques of dribbling focusing on coordination and control to advance over an opponent.
- To know how to pass, shoot with accuracy in small, sided games.
- To know how to give feedback on other pupil's performances and their individual performances.
- To know why checking your shoulder is important.

Healthy Participation- To discuss the benefits of having regular drink breaks during PE can help to replace the fluids you lose when you sweat and can help to maintain normal body functions and performance levels.

Vocabulary – Sole, plant, pass, point, touches, dribble, outside, score, space, invasion, aware, inside, tackle, attacking, defending, stationery, goal kicks, dribbling, shooting, coordination, opponent, advancing player, goal line, corner kicks, tactics.

Session 3 – To be able to perform basic defensive skills to stop opponents from advancing. To develop a knowledge of how to outwit an opponent using the core football skills. To understand and appreciate the need to make decisions about skill choice.

- To know how safely make a tackle.
- To know how to tackle and advancing player.
- To know how to understand the idea of attacking and defending as a team.
- To learn how to pass the ball to another player before the defender gets the ball.

Healthy Participation – To understand that exercise can help your body stay at, or reach, a healthy weight. To stay at a healthy weight, you must use up the energy you eat. Exercise helps you do that.

Vocabulary – Sole, plant, pass, point, touches, dribble, outside, score, space, invasion, aware, inside, tackle, attacking, defending, stationery, goal kicks, dribbling, shooting, coordination, opponent, advancing player, goal line, corner kicks, tactics.

Session 4 – To be able to know what to do when taking throw ins, side line passes and receiving the ball from a throw in. To identify the type of information you might provide teammates when off the ball.

- To know what happens when the ball goes out over the side line.
- To be able to complete a throw in correctly and learn the rules for throwing in the ball.
- To know how to discuss tactics as a team that they might use for where to place the ball.
- To know how to defend to try and make sure that the player does not receive the ball from a throw in.

Healthy Participation – To know and be able to explain why warming up is important. Can explain why keeping fit is good for their health.

Vocabulary – Sole, plant, pass, point, touches, dribble, outside, score, space, invasion, aware, inside, tackle, attacking, defending, stationery, goal kicks, dribbling, shooting, coordination, opponent, advancing player, goal line, corner kicks, tactics.

Session 5 – To be able to discuss team tactics with teammates. To understand some basic rules of football corner kicks and goal lines.

- To know what happens when the ball goes out over the goal line.

Medium Term Plan: Supporting Implementation of LTP/Progression Grid

- To learn the difference between a corner kick and a goal kick.
- To learn how to complete a corner kick, goal kick and the rules for a corner kick.
- To know how to discuss tactics that they might use for where to place the ball.
- To know how to defend so that they player does not receive the ball from the corner.

Healthy Participation – Highlight the benefits of taking part in football on your long-term health. Discuss the benefits of being healthy and active. Discuss options for local football teams in the area.

Warrington Town FC and Crossfield's.

Vocabulary – Sole, plant, pass, point, touches, dribble, outside, score, space, invasion, aware, inside, tackle, attacking, defending, stationery, goal kicks, dribbling, shooting, coordination, opponent, advancing player, goal line, corner kicks, tactics.

Session 6 – **To demonstrate a controlled shooting motion on a goal. To develop an understanding of how to create space to shoot.**

- To know how to control shooting technique towards a goal.
- To know how to kick a stationary ball past a goalkeeper.
- To strike a moving ball (past a goalkeeper) with some accuracy.

Healthy Participation – Discuss the importance of cooling down that it allows for a gradual recovery, helps to regulate blood flow, preventing injuries such as muscle tears etc.

Vocabulary – Sole, plant, pass, point, touches, dribble, outside, score, space, invasion, aware, inside, tackle, attacking, defending, stationery, goal kicks, dribbling, shooting, coordination, opponent, advancing player, goal line, corner kicks, tactics.

Future learning this content supports:

This unit will support future subjects in Spring 1. Pupils will know how to work together in teams and come up with tactics to help them win. Pupils will be used to working in different groups which will support there learning in next terms topic of dance and gymnastics. Pupils will have built up strength, stamina and speed and they will have trained their brain to improve their concentration and coordination.

Cross Curricular Links: Literacy (key words), Citizenship (sportsmanship & cooperation), Science (muscle names, bodily functions, and healthy lifestyle consequences), Math's (measuring distances, collating data & comparing recordings against other bests).
